

**THANK YOU FOR YOUR GENEROUS SUPPORT OF THE  
HURRICANE HARVEY RELIEF COLLECTION.  
TOGETHER, WE RAISED 9,426.00 DOLLARS!  
NOW IT IS TIME TO HELP THOSE AFFECTED BY  
HURRICANES IRMA AND MARIA!!!**

In response to the overwhelming devastation from Hurricanes IRMA and MARIA, the Bishop of Charleston, the Most Rev. Robert E. Guglielmone, has asked that a special collection for the victims of Hurricane Harvey be taken up at the earliest opportunity.

We at Our Lady of the Lake will take up this collection on **28 and 29 October**.

There are three ways to donate.

1. You may give now and until 1 November on-line through our parish On-Line Giving site at: **OLL On-line Giving**.
2. You may give in the Sunday Collection by check. If you choose to write a check, **PLEASE** - *make the check out to "Our Lady of the Lake" and write "Hurricane Relief" in the memo field.* \*
3. You may give cash in the Sunday Collection. If you choose to give cash –**PLEASE** *place the cash in an envelope and mark the envelope "Hurricane Relief".* \*\*

**All MONIES** collected (100%) go directly to the aid of those suffering from this tragic storm. *The parish will send ONE check to the diocese for Hurricane Relief efforts.* All monies collected from the diocese will then be sent to **Catholic Home Mission**, a sub-committee of the USCCB on which Bishop Guglielmone is a member. The USCCB and Catholic Home Missions will then ensure all monies go to the various dioceses that were impacted by these storms in Florida, the South East, Puerto Rico and the Caribbean for distribution to those parishes and individuals in need as determined by the local diocese.

Please make your donation on or before 1 November. Thank you.

\* Checks NOT made out to "Our Lady of the Lake" will be returned. Checks made out to Our Lady of the Lake and NOT marked "Hurricane Relief" in the memo field will be included in our regular Sunday Collection.

\*\* Cash NOT placed in an envelope and marked Hurricane Relief will be counted as part of our regular Sunday Collection.
